

Derbyshire Scout Archaeology Team

What We Offer:

Evening Sessions

We offer 'Intro to Archaeology' sessions for all age groups, Beavers to Network, lasting between 1 - 2 hours in an evening. Available to all Derbyshire Scouts.

Camps & Activity Days

We can run activity stations at camps throughout Derbyshire.

Resources

We create many resources that can be found on our webpage providing you with ideas and activities to complete the Archaeology badge.

Holiday Projects

We offer exciting opportunities to get involved with Archaeology during the three main school holidays, both online and in person.

Excavation and site link-up

We can help groups find excavations and sites to visit. If you have an area of interest we can also look into helping run excavations.
