

THE BIG SHOOT

2021 Entry Pack

Thank you for enquiring about The Big Shoot 2021.

Before we get to the details about entering we want to bring to your attention about some of the changes that we are making to the event in able for us to put it on
Because we don't know what restrictions will be in place on the dates we are planning that there could be socially distancing and sanitising, both of equipment and personal.

The dates of the event will be 11th & 12th September.

At this time we are planning for day only activity in case that camping is still not allowed and that entrants will be timetabled to do all their events on one day.

Numbers: because of the prospect of social distancing, we will not be able to have two people using the same target at archery so will reduce the numbers shooting at one time so we are looking at adding additional bosses and reducing the number of arrows shot by the seniors from 5 dozen to 3 dozen.

Rifles; could be outside, so therefore the shooting position would be prone.

Fencing; this would be target based so no face to face combatting.

All equipment would sanitised between sessions, hand sanitising would be enforced at every activity and PPE would be used where appropriate.

Because there is uncertainty of what status Scouting could be at that time we are reserving the right to make a judgement on the event @ 1st August as to whether it needs amending or cancelling, so we are asking that groups / competitors **send in their application forms but not payments**. Once we are sure that the event will go ahead then we will invoice people for their payment to be paid by bank transfer.

Should we need to cancel at a later stage then we will refund, fully, all entry fees.

There may not be a presentation ceremony due, partly, because of social distancing and also many people would have attended the Saturday and would not be there on the Sunday; we don't think it is possible to have all entrants for, say junior novice, to compete on one day.

If we there are changes to restrictions ie overnight stops, no social distancing; we will communicate to those that have entered before as what amendments we can make. Eg, camping, increase of arrows, etc.

As you can see there are quite a number of changes, but we are looking at everything so that the event can go ahead and we thank people for their support.

We are also trying to cut down on the amount of physical paper, so are asking that entries are emailed in and will be stored on a secure server until after the event, when they will be deleted. Also to avoid handling money we are asking that payments are done by bank transfer.

Regards

Chris

Classes

All entries in the novice classes must have some prior knowledge and experience of the discipline they choose. **This is not suitable for first time shooters** as it is a competition and would be unfair for anyone to shoot over 10 times the amount they would do in a 'come and try it' session without any prior training.

All competitors must have sufficient experience on an archery/air rifle range. Troops/units/leaders requiring practice or refresher should book in as a Big Shoot Troop booking, giving at least four weeks' notice, at drumhill.org.uk.

All rules will be explained on the day prior to the competition.

Archery entries are for Take down Recurve bows only

- b. Any shooter that has a bow with any aid fitted will be classified as advanced freestyle. Aids are sights, clickers, stabilising bars, etc. This is to ensure parity in the classes.

1. Rules

2. Rules will be based on the Standing Position or prone position shot outside if socially distancing under the "NSRA's 3P Air Rifle and Sporter Air rifle Rules 2013" (as ratified at PAC on 24th November, 2012.) Variations to these rules are written below.

3. Course of Fire

- a) One sighting card with unlimited shots over 4 minutes will be given prior to the start of competition.
- b) Each competitor is required to fire 40 shots consisting of 8 rounds (cards) of 5 shots, shot in the standing position indoors or prone position if shot outdoors at a distance of 10 metres. Each round must be shot within a 4 Minute time period. A time warning will be given at the 3 minute mark. Any shots not fired in the 4 minute time period will be considered a miss and scored as 0 (zero).
- c) Cards will be changed for the shooter and then shown to them prior to the start of the next round.
- d) We will endeavour to run to the published times. It is the responsibility of the shooter to arrive at least 10 minutes prior to their allotted shooting time to register. Any shooter arriving late will be allowed to enter the competition at the next change of targets. No extra time will awarded for missed rounds. Any missed round will be scored as 0 (zero).

4. Safety

- a. All competitors are expected to have shot before and know how to act in a safe manner whilst on the range.
- b. Loading of the rifle will be demonstrated prior to the start of shooting.

- d. Failure to adhere to the Safety Rules may result in immediate disqualification.
- e. A First Aider will be on the range at all times during firing.

5. Equipment

6. Miscellaneous

- a. Any shooter who shoots after the command to "Stop" will be deducted the highest score from that target and given -2 penalty points.
- b. It is the responsibility of the shooter to ensure the correct numbers of shots are fired at their card.
- c. For targets containing more or less than 5 shot holes, NSRA Rule 5.3.2.1 – 5.3.3 shall be used. (Extract printed below.)
 - 5.3.2.1 If a card has more shot holes than the number specified in the competition, the scorer shall score the appropriate number of hits for that competition having the lowest value, subject to Rule 5.3.2.2.
 - 5.3.2.2 When a card has on it fewer shot holes than the number specified in the competition, the shots deficient shall be deemed misses, unless the Range Officer and/or a witness certifies that the shot or shots have been placed in error on the card of another competitor. In which case the shooter who has fired on the wrong card shall receive a hit or hits of the lowest value from the target with the extra shot or shots upon it, (subject to Rule 5.3.2.3) less two points penalty for each shot he placed on the wrong card. The shooter whose card has on it the extra shot or shots shall receive the full value of the remaining shots on his card.
 - 5.3.2.3 Where the Range Officer and/or witness can certify without doubt that a particular shot or shots were fired by another shooter, the shooter who has fired on the wrong card will receive the full value of his own shot or shots less two penalty points for each of those shots.
 - 5.3.3 Any shooter who fires more than the specified number of shots at his own card, but not more on the card than the number specified in the competition, full credit shall be given for every shot which can distinctly be seen, subject to a penalty of one point for each shot in excess on any particular target.
- d. The Range Officer reserves the right to remove any person from the range for any reason.
- e. Each group of Scouts is allowed one representative (Leader or parent) to be on the range with them. They must not interfere with the course of firing. If they wish to communicate, it must be done quietly behind the safety line. A representative is not required, but it is advised that one does attend.
- f. Extra time will be given to any malfunctions, that aren't the direct fault of the shooter, i.e. if the shooter adjusts their equipment and it stops working - it is their fault. However, if a rifle genuinely stops working, a spare rifle will be issued and extra time if required for that shooter only will be given.
- g. Scored Targets must be signed by the competitor at the end of the competition. Any challenges of scores or penalties must be made **BEFORE** signing the card. Any cards not signed will be scored as 0 (zero).

Any reclassification will be relayed to the shooter at the earliest opportunity.

The program content other than the competition is the responsibility of each group. If you wish to book other activities during the weekend that are available, please contact Drum Hill.
