The Wilmot Wander is organised by leaders from the 27th Derby (Chaddesden) Scout Group.

The Event is a 32 mile (58km) open event for both competitive walkers and fell runners, as well as individuals and groups/clubs who wish to complete the course as either a personal challenge or for the pleasure of walking as a group of friends

The route starts and finishes at 27th Derby Scout Headquarters, Meadow Lane Chaddesden and circles Derby and includes some strenuous hilly sections, field paths, parkland and canal tow paths.

Due to the distance to be covered and terrain, considerable stamina will be required.

- ◆ Entry is open to 14 Year olds and above.
- ◆ Mostly through open country.
- ◆ It is an ideal training event for long distance walks.
