Scouts of the World Award (Scout Network only)

Bemrose Centre, Drum Hill

Claire GReaves / Mark Topliss

Scouts of the World Award (SOWA) is a Scout Network only award that gives Scout Network members the chance to undertake a project of their choice within the themes of Peace, Environment and Sustainability and take action on their chosen issue.

Through your Scouts of the World Award journey, you'll develop skills and knowledge that will empower you to undertake a project that will make a sustainable impact on your local, national or international community, while developing your personal skills.

You'll learn skills including independence, team work, project planning, time management and communication skills, while gaining an understanding for global issues and international relations. You don't have to go abroad to complete your Scouts of the World Award. Local and national projects are acceptable, as long as all requirements of the award are being met.
